

## Gallery Submissions

PaperWorks members are invited to submit digital images of their work for publication on our PaperWorks Gallery pages. This page is a place for your own work to be shared with the larger PaperWorks community. What better way to get to know each other, artwise, than having your creativity, voice, and expression displayed and to see what your fellow members are up to.

The following guidelines should be followed by members when emailing their work for publication on the PaperWorks website.

- Send up to 4 images of your work. Images should be good quality JPG files. Photos should be in focus, without distracting backgrounds, and with adequate lighting. The digital size should be at least 1Mb. If taking the photos yourself, use the largest setting (in megabytes) on your camera. Do not alter the physical size of the original before sending by email.
- Work should be by a current PaperWorks member. Any medium is acceptable, not just paper or paper related.
- Include a brief bio and/or brief artist statement
- You may include your contact info and social media accounts - email address, website link, Instagram, Facebook or Twitter account and/or Etsy page. Content of social media accounts should contain at least 50% of your own artistic expression rather than commercial non artistic material or personal unrelated information. Please keep in mind that what you submit for posting to the website is a reflection of yourself and of PaperWorks.

Submissions should be emailed to: [webmaster@paperworks.info](mailto:webmaster@paperworks.info). Please put "PaperWorks Gallery" in the subject line.
